## **BUILDING** our community together

I am very pleased to announce the successful recipients of the **2019 Community Building Partnership program.**

**NORTH  
WOLLONGONG  
SURF CLUB  
2019 RECIPIENT**

Community Building Partnership (CBP) funding grants have been provided to 21 not-for-profit community and sporting groups in the Wollongong electorate.

A full list of all the sporting and community projects can be found on the inside pages.

One of the best parts of my role as a local MP is to work with local community and sporting groups to help bring long-dreamed of projects to life.

If it wasn't for the CBP program many of these sporting and community groups' volunteers would have to spend so much time raising money from raffles and sausage sizzles and it could take years before these projects get off the ground.

I am very pleased that with a little funding help I am able to

give under the CBP program for my electorate, many of these projects can now get up and running faster so the whole of the local community can benefit from improvements and new equipment.

**I encourage other sporting and community groups in the Wollongong electorate, who have plans for projects, to consider applying for funding under the 2020 CBP program which**

**opens from Monday, 4 May 2020 and closes on Friday, 12 June 2020 at 5pm.**

The Community Building Partnership (CBP) program was first established in 2010 under the former NSW Labor Government.

**INSIDE:** Full list of the 2019 Community Building Partnership grants
