

# SAVE OUR HOSPITALS FROM LIBERAL CUTS

To the Honourable Speaker and Members of the Legislative Assembly of NSW:

Our local hospitals are under pressure with increasing waiting times in emergency, for elective surgery and demand from more patients. Our health professionals do a great job with the resources they have but they too are stretched trying to provide good care with limited budgets. The undersigned call on the Turnbull Government to stop the \$7.5 million funding cut over the next 3 years to Bulli, Coledale, Port Kembla and Wollongong Hospitals, and call on the Berejiklian Government to put our local hospitals before its \$2.2 billion Sydney stadium splurge.
